FELLOWSHIP PROGRAM

2022/23

“Preparing the next generation of Public Leaders”

About PRC:

Pokhara Research Centre is a research-based, non-partisan organization that focuses on the socio-economic dimensions of domestic public policy. The organization uses the international principle of individual choice and liberty translated into the equal opportunity of enterprise, rule of law, and the democratic principle of free expression as a tool to design its programs and initiatives. The major working domain of the PRC are Research, Training, and Advocacy.
